**REJECTED BY  
TWICE BY  
ALASKAN  
VOTERS!**

1) Have you or your gunner been convicted within the previous 5 years for a hunting violation other than a non-criminal violation established under AS 11.55.035(b)(5); or have you or your gunner been convicted for a hunting violation related to the taking of wolves that involved the use of an aircraft?  
Pilot  YES  NO Gunner  YES  NO If yes, please explain:

2) Are you or your gunner familiar with the geography of the wolf control area(s) you are applying for?  
Pilot  YES  NO Gunner  YES  NO

How much flying time do you or your gunner have in the wolf control area(s) you are applying for?

3) Have you or your gunner ever taken wolves in a predator control program by aerial shooting or land-and-shooting?  
Pilot  YES  NO

Have you or your gunner ever used land-and-shooting to take wolves when it was a legal means of hunting or trapping?  
Pilot  YES  NO

If you answered yes to either of the above questions, please explain your experience in terms of specific such as estimates of total flight time, number of wolves taken, geographic (e.g., game management units) where programs took place, and other pertinent information that demonstrates your ability to conduct this kind of activity:

(Attach an extra sheet if necessary.)

If you have never participated in land-and-shoot or aerial taking of wolves, describe your pilot license, training, and experience that demonstrate your ability to conduct this type of flight. You should include, but not limit the information that demonstrates your ability to conduct this kind of activity:

4) If you have never participated in land-and-shoot or aerial taking of wolves, describe your pilot license, training, and experience that demonstrate your ability to conduct this type of flight. You should include, but not limit the information to type of pilot license, training, and experience in special airplane operations such as aerobatic flight, flight time in Alaska, low-level (i.e., 500 feet or less) operations, type of airplane(s) flown and off-airport and ski-flying operations. Also, describe your ability and experience using an airplane to identify and follow wolf tracks in the snow.

(Attach an extra sheet if necessary.)

Please print out both pages of this petition, sign it and enter your address in the space provided. (Unsigned petitions or petitions without addresses will not be counted.) Place the signed petition (both pages) in a stamped envelope and mail immediately to the address below.
